STRENGTHENING END OF LIFE STORIES

2022  
ANNUAL  
REPORT

“Takela’s day was special. She was surprised. She was happy. She was feeling good. She was pretty. She received a blessing and gave a blessing to her grandbabies. It had been years since she was able to do anything with them. I am eternally thankful for Project 4031.”

—Chaq, Takela’s Sister

## Fueling International Outreach

Project 4031 has been proud to have collected and redistributed medical equipment since our inception in 2011. As with any growing organization, we feel called to focus our support through our core service areas, Funding for Families and Fulfilling Dreams. In partnership with another local nonprofit in 2022, we dissolved our **Fueling International Outreach** program and donated our current medical equipment inventory to support their overwhelming need. We recognize that we will serve the community better if we focus where we can fulfill the greatest need.

## Funding for Families Recipient

### Eric & His Daughter

While Eric was receiving long-term disability benefits, this gave the family only 60% of his income to pay 100% of their bills. Project 4031 assisted the family by paying a month of their rent and sending them a grocery gift card. Tina told us, "We are so appreciative. This helps takes a load off of us. God always meets our needs, and He has used Project 4031 as a channel of His will."

**"We appreciate you all so much and the gifts of support you provide to our most vulnerable."—Toni, Hospice Social Worker**

"But those who hope in the Lord will renew their strength.  
They will soar on wings like eagles; they will run and not  
grow weary, they will walk and not be faint."

—Isaiah 40:31

PROJECT  
40  31  
STRENGTHENING END OF LIFE STORIES

*Thank You*

Since 2011, Project 4031 has had the opportunity to strengthen over 900 end-of-life stories for individuals and their families. We look forward to continuing to serve our community and hope you will partner with us to further our mission and vision.
